# ABOUT THE TOEFL TEST

## TEST OF ENGLISH AS A FOREIGN LANGUAGE™

The *Test of English as a Foreign Language*™ (TOEFL®) measures the ability of nonnative speakers of English to use and understand English as it is spoken, written, and heard in college and university settings.

TOEFL scores are accepted by more than 6,000 colleges, universities, and licensing agencies in 110 countries. Every test center is open to everyone who is properly registered, regardless of race, color, creed, or national origin (subject to U.S. sanctions programs and embargoes).

This *Information and Registration Bulletin* contains information about the TOEFL Internet-based test (TOEFL iBT). A list of TOEFL iBT test locations is available in the Learners and Test Takers section of the TOEFL Web site at [www.ets.org/toefl](http://www.ets.org/toefl).

## The TOEFL Internet-Based Test (TOEFL iBT)

The TOEFL Internet-based test is approximately four hours long and has four sections:

- ▶ **Reading**—measures the ability to understand academic reading material.
- ▶ **Listening**—measures the ability to understand spoken English as it is used in colleges and universities.
- ▶ **Speaking**—measures the ability to speak English in an academic context.
- ▶ **Writing**—measures the ability to write in a way that is appropriate for college and university course work.

The test is delivered via the Internet. It emphasizes integrated skills and helps confirm you are ready to communicate your ideas about what you will read and listen to in your academic courses. Integrated tasks require you to combine more than one skill. You'll be asked to:

- ▶ Read, listen, and then speak in response to a question
- ▶ Listen, and then speak in response to a question
- ▶ Read, listen, and then write in response to a question

The test that you take may include questions that do not count toward your score. These are either questions that enable ETS to make test scores comparable across administrations or new questions that help ETS determine how such questions function under actual testing conditions.

Each section of the test has a time limit. The computer will indicate when to start and stop each section. If you finish a section early, you may go on to the next section, but you may NOT go back to a section you have already completed. You may, however, go back within the Reading section during the time allotted for it. Failure to follow this rule may result in your scores being canceled. There is a mandatory 10-minute break midway through the testing session.

# REGISTRATION INFORMATION

## How to Register for TOEFL iBT

### ONLINE REGISTRATION USING A CREDIT CARD OR E-CHECK

Test takers with credit cards can register for the test online in the Learners and Test Takers section of the TOEFL Web site at [www.ets.org/toefl](http://www.ets.org/toefl). American Express, Discover, JCB, MasterCard, and VISA are accepted. Test takers with U.S. domestic bank accounts can also register and pay online with an electronic check (e-check). There is no additional charge for this service. See “Payment Policies” on pages 7–8.

- ▶ Registration is open 24 hours a day.
- ▶ Early registration closes seven days prior to the test date (not including the day of the test).
- ▶ Late registration closes three days prior to the test date (not including the day of the test).
- ▶ **Registrations received after the early registration deadline incur a late fee of US\$25.**

Test dates are on the inside back cover of this *Bulletin* and a list of test locations is in the Learners and Test Takers section of the TOEFL Web site. Test locations are continually being added, so be sure to check the TOEFL Web site and the TOEFL iBT online registration system for the most up-to-date information.

When you register online, you will be required to establish a user name and password. You will be able to return to the site to:

- ▶ update personal/contact information (e.g., change your password or modify your address)
- ▶ view your registration
- ▶ reschedule or cancel your registration
- ▶ place orders for services, such as additional score reports
- ▶ check previously placed orders
- ▶ view your scores

**You should return to your online profile and print out your registration confirmation right before the test day.** If there is a change in the test center (e.g., a different building than originally scheduled), it will be updated in your profile.

### TELEPHONE REGISTRATION USING A CREDIT CARD OR E-CHECK

To schedule by phone, you need a valid credit card (American Express, Discover, JCB, MasterCard, or VISA) or a U.S.-based bank account if you are paying by e-check.

- ▶ Early registration closes seven days prior to the test date (not including the day of the test).
- ▶ Late registration closes three days prior to the test date (not including the day of the test).
- ▶ **Registrations received after the early registration deadline incur a late fee of US\$25.**
- ▶ If you plan to test in the United States, Canada, or a U.S. territory\* call **1-443-751-4862** or **1-800-GO-TOEFL (1-800-468-6335)**.
- ▶ If you live outside the United States and want to test at a center in the United States, call **1-443-751-4862**.

- ▶ For testing outside the United States, U.S. Territories,\* or Canada, call the Regional Registration Center (RRC) **that services the country in which you plan to test** (see pages 15–16 for the RRC for your area).

- ▶ The teletypewriter (TTY) number is **1-800-529-3590**.

When you call, you will be given a registration number. Be sure to write it down. You must bring your registration number to the test center on the test day. You will also be given a test date, reporting time, and test center address. Refer to the Registration Form in this *Bulletin* for the information you will be asked for when you call.

### MAIL-IN REGISTRATION

You can register by mail if you are paying with a money order or if you are paying with a check drawn on an international bank account. Complete the registration form in this *Bulletin* (the form is also downloadable from the TOEFL Web site) and mail it to the address on the form.

- ▶ Fill in all the information on the Registration Form. Be sure to indicate two test center choices.
- ▶ Include a money order or a check (international bank accounts only). (See “Payment Policies” on pages 7–8.)
- ▶ Test takers with disabilities must use the registration form in this *Bulletin*. If paying by credit card, the credit card number and expiration date must be written on the top of the form. Note: Only test takers with disabilities can submit this form using a credit card; all other test takers must submit either a check or money order.
- ▶ Mail the completed form to TOEFL Services or the appropriate RRC. Mailing instructions are on the form. **The registration form must be received at least four weeks before your earliest test date choice.**

You will be assigned a test date, time, and location based on the information you provide on the form. If your requested date(s) cannot be accommodated, **you will be scheduled for the next available test date unless you indicate on the form that you do not want to be rescheduled.** If you choose not to be rescheduled, your payment will be returned to you.

You will be assigned to a test date as close as possible to your choices. If your assigned test date does not meet your needs, contact TOEFL Services or the appropriate RRC within 24 hours of receipt of your registration confirmation.

If you do not receive a confirmation of your registration, you must call the location where you mailed your registration at least **three full business days** prior to the registration deadline for your earliest test date choice.

### IMPORTANT THINGS TO KNOW WHEN REGISTERING

- ▶ Each test location represents a general area, not necessarily a specific city. For example, Berlin can mean the test center is in Berlin itself, or within approximately a 50-mile radius.
- ▶ Information regarding test center availability is subject to change. The most current information regarding test centers, dates, and other registration information is in the TOEFL iBT online registration system.
- ▶ When searching for a test center, consider areas beyond your city, state, or province. Centers listed under a different area may be closer than you think. For example, if you are searching for a center in the New York City area, search in the Northern New Jersey area as well.
- ▶ Not all test centers are open on all dates.

\*American Samoa, Guam, Puerto Rico, and U.S. Virgin Islands

## REGISTRATION INFORMATION *(continued)*

- ▶ When you select a date and general location in the online registration system, you'll see a list of the centers in that area. If you were looking for different centers, try picking a different date.
- ▶ You must select your score recipients (designated institutions to receive your scores) during registration. If you do not select score recipients during registration, you will be charged a fee for sending score reports. You **cannot** select your score recipients at the test center. An Institution Code list is available during online registration. You may update your score report recipient information online until 10:00 p.m. (local test center time) on the day prior to the test date. The Institution Code list is also in the Learners and Test Takers section of the TOEFL Web site.
- ▶ When registering, be sure that the spelling of your name exactly matches the name printed on the identification document(s) you will present at the test center. If this information does not match, you will not be permitted to test and your test fee will be forfeited. See "Identification Requirements" on pages 9–10. If you registered online, you can go to the TOEFL Web site and update your profile until 10:00 p.m. (local test center time) on the day prior to the test.
- ▶ Register early; test centers fill up quickly.
- ▶ Take the test as soon as possible so your scores will be received in time to be considered with your application.
- ▶ Registration is not transferable. You are not allowed to let someone else use your registration.
- ▶ Walk-in registration is not available for TOEFL iBT.

### Test Dates and Registration Deadlines

A list of test administration dates is on the inside back cover of this *Bulletin*. The early registration deadline is seven days prior to the test date (not including the day of the test). The late registration deadline is three days prior to the test (not including the day of the test). For example, if your test date is Saturday, October 14, the deadline to register without a late fee is Saturday, October 7. If you are registering by mail, your registration form must be received at least four weeks before your earliest test date choice. Testing times vary between 8 a.m. and 7 p.m. Your start time will be indicated on your confirmation ticket.

### Fees for Tests and Services

The TOEFL iBT test fee varies by country. To find out what the fee is in your testing location, go to the Learners and Test Takers section of the TOEFL Web site, select "Register for the Test," and choose your test location.

US\$25	Late registration fee
US\$40	Rescheduling fee
US\$20	Reinstatement of canceled iBT scores
US\$17	Additional score report requests (per recipient)
US\$60	TOEFL iBT Speaking <i>or</i> Writing section rescore
US\$120	TOEFL iBT Speaking <i>and</i> Writing sections rescore
US\$20	Fee for returned check (paper or electronic)

Fees are subject to change without notice. Taxes will be added where applicable. Note: It is not necessary to add Value Added Tax (VAT) for TOEFL fees and services at this time.

### Payment Policies

All payments for tests and services must:

- ▶ be made in full
- ▶ be dated within 90 days of the date of receipt at the Regional Registration Center or ETS
- ▶ have the correct numeric and written dollar amount
- ▶ have appropriate signature(s).

Services may be withheld for nonpayment of fees. If you do not submit the correct fee, your registration form or your request for service will be returned. Scores will not be released if a payment is returned for any reason.

Do not send cash or demand drafts. Receipts for bank checks are not acceptable. UNESCO coupons are not being accepted at this time. Unless an e-check is used, the actual negotiable check must be sent with your request for service.

### PREFERRED FORMS OF PAYMENT

- ▶ Credit card (required for online registration)—American Express, Discover, JCB, MasterCard, or VISA
- ▶ Electronic check (e-check)—drawn on a U.S.-based bank

### PAYING BY ELECTRONIC CHECK (E-CHECK)

- ▶ Electronic checks (e-checks) may be used for online payment if you have a bank account in the United States or its territories. Electronic Check Processing (ECP) directly debits your checking or savings account for payment of goods and services.
- ▶ ETS offers this payment method via the Web or by telephone when the transaction can be processed in real time. ECP transactions will be processed in U.S. dollars against U.S. bank accounts only. E-checks will utilize the Automated Clearing House (ACH) network. The ACH is a process by which member financial institutions perform clearing of electronic debits and credits when the customer's bank is a member, or by generating a facsimile draft when the customer's bank is not a participant of the ACH network. ECP transactions will be submitted to ETS's electronic check payment processing vendor for validation, verification, and settlement similar to a credit card transaction.
- ▶ To complete this type of payment, you must have available, or be able to provide, the basic bank account information located at the bottom of a check: bank account number, bank (or American Banking Association) routing and transit number, and check number. Please be aware that your bank account may be debited the same day we receive your request and that you will not receive a canceled check.

### OTHER ACCEPTABLE FORMS OF PAYMENT

- ▶ Check
- ▶ Money order
- ▶ Eurochecks in Europe drawn on a bank in the same country as the currency

### PAYING BY CHECK OR MONEY ORDER

- ▶ Post-dated checks are **not** acceptable.
- ▶ Checks and money orders in U.S. dollars must be drawn on a bank in the U.S. and made payable to "ETS-TOEFL iBT."
- ▶ Checks, money orders, or Eurochecks payable in one of the acceptable currencies on page 8 must be drawn on a bank in the same country as the currency. For example, a check written in Australian dollars must be drawn on a bank in Australia.

## REGISTRATION INFORMATION *(continued)*

- ▶ Checks in Canadian dollars must be drawn on a bank in Canada at the prevailing rate of the U.S. dollar plus GST/HST/QST.
- ▶ It is not necessary to include Value Added Tax (VAT) for TOEFL fees and services at this time.
- ▶ The bank name and its address should be preprinted on the face of the check.

### ACCEPTABLE CURRENCIES

You must submit payment in U.S. dollars, by credit card, or by using one of the acceptable currencies. **Payments submitted in currencies other than those listed below will not be accepted and will be returned to you.**

Because of the conversion to the Euro and recent changes in banking policies, ETS no longer accepts payment in certain currencies. Payments at the prevailing rate of the U.S. dollar may be remitted in the following currencies only:

Australian Dollar	Euro	Norwegian Kroner
British Pound	Hong Kong Dollar	Singapore Dollar
Canadian Dollar	Japanese Yen	Swedish Kroner
Danish Kroner	New Zealand Dollar	Swiss Franc

- ▶ Payments made in the currencies listed above must be made at the Telegraphic Transfer Selling (TTS) exchange rate of the U.S. dollar equivalent.
- ▶ Refunds, if necessary, will be made in U.S. dollars.
- ▶ Services may be withheld for nonpayment of current fees and unpaid previous balances.

### Rescheduling or Canceling

You must reschedule or cancel your registration **no later than three full days before your test date** (not including the day of the test or the day of your request). For example, the deadline to reschedule a Saturday test is Tuesday. If your request is not received at least three full days in advance, your full test fee will be forfeited. Test administrators are not authorized to make schedule changes.

To reschedule, you must provide

- ▶ Your registration number
- ▶ The full name you used to register.

The fee for rescheduling is US\$40. Payment must be received prior to rescheduling.

- ▶ If you are testing in the U.S., Canada, or a U.S. territory,\* you can reschedule on the TOEFL iBT online registration system or call **1-443-751-4862** or **1-800-GO-TOEFL (1-800-468-6335)** to reschedule or cancel.
- ▶ If you are testing outside the U.S., Canada, or a U.S. territory,\* you can reschedule on the TOEFL iBT online registration system or call the appropriate Regional Registration Center (RRC) to cancel or reschedule.
- ▶ You cannot reschedule or cancel your registration via mail or e-mail.
- ▶ If you do not cancel or reschedule your registration three full days before your test date (not including the day of your test or the day of your request), your full test fee will be forfeited.

\*American Samoa, Guam, Puerto Rico, and U.S. Virgin Islands

### Test Fee Refunds

If you cancel your registration by the deadline, you will receive a refund equivalent to half of the original test fee. The remainder of your payment will be retained to cover expenses for processing your registration and holding space at the test center. Refunds will be in U.S. dollars. Cash refunds are not available. Refunds will not be given if you do not follow proper registration procedures and/or fail to present the required identification documents at the test center.

### PAYMENTS BY CREDIT CARD OR E-CHECK

- ▶ A refund will be processed automatically and be credited back to the original credit card or bank account.

### PAYMENTS BY CHECK

- ▶ Refunds are processed automatically.
- ▶ If original payment was drawn on a U.S. domestic bank, allow eight weeks after your cancellation for your refund to be processed.
- ▶ If original payment was made in non-U.S. funds drawn on a bank outside the United States, allow 12 weeks for your refund to be processed.

# ON THE TEST DAY

The name you give when you register must match the name on the identification document(s) you present at the test center. See “Identification Requirements” below.
- ▶ Your registration number. You will get this when you register. You will not receive an admission ticket. **Return to your online profile and print out your registration confirmation right before the test day.** If there is a change in the test center (e.g., a different building than originally scheduled), it will be updated in your profile.

## Identification (ID) Requirements

### For Internet-Based Testing

The identification information and requirements contained in this section must be read by all test takers.

**NOTE:** Your ID requirements depend upon the country of your citizenship and the country in which you plan to test. Please read the specific information below for acceptable primary and secondary identification documents.

### GENERAL ID INFORMATION

- ▶ You must have acceptable and valid identification (ID) with a signature and photograph to be admitted to a test center. Expired documents are not acceptable. The photograph on your ID document must be recent and recognizable. Original documents must be presented; copies are not acceptable. ID requirements are strictly enforced. It is your responsibility to read and understand the instructions and requirements.
- ▶ If you arrive at the test center without the required ID, the test center administrator will not admit you to the test and you will forfeit your test fee.
- ▶ **When registering, you must use exactly the same name and the same spelling of that name that appears on the primary ID document you will present at the test center.** Make sure to provide your entire first (given name) and entire surname (family name). Do NOT register under a nickname. If the name shown on your primary ID does not match the name you registered under, you will not be permitted to test. When applying to a college or university, use the same name and spelling of your name on your application.
- ▶ Check the name on your registration confirmation document. Your name must match the name on your primary ID document. If the name does not match the name on your primary ID document, go to the TOEFL online registration system and update your profile BEFORE the test date.
- ▶ **NAME CHANGES WILL NOT BE MADE—only misspellings of your name can be corrected at check-in. If your name has changed for any reason, including marriage, you still must present primary ID in the name under which you registered, or you will not be permitted to test. Marriage certificates and divorce decrees cannot be used to confirm name differences.**
- ▶ If the test administrator questions the ID you present, you will be required to present additional proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and will forfeit your test fee.

- ▶ Test center personnel will check your ID before assigning you a seat at the test center and you will be asked to sign the test center log. The test administrator will check your signature to verify that you are the person in your photo identification. The administrator will repeat this procedure before and after all breaks.
- ▶ Admittance to the test center does not imply that your form of ID is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity.

### ACCEPTABLE PRIMARY IDENTIFICATION DOCUMENTS

#### Testing in Bangladesh, India, and Pakistan

- ▶ All test takers in Bangladesh, India, and Pakistan **MUST** use **valid passports** as their ID documents.

#### Testing WITHIN Your Country of Citizenship

Only one form of primary ID is needed if your primary ID document contains a **photograph** and **signature**. IDs that can be used to meet the photograph and signature requirements are:

- ▶ Passport with photograph and signature
- ▶ Driver's license with photograph and signature
- ▶ State ID issued by motor vehicle agency with photograph and signature
- ▶ National ID with photograph and signature
- ▶ Military ID with photograph and signature

**If the test administrator has any concerns about the primary ID document, you will be required to present an acceptable secondary ID from the list of acceptable secondary ID documents.** If your primary ID does not contain your signature, either sign the document or present an additional ID from the list of secondary identification documents.

#### Testing OUTSIDE Your Country of Citizenship

- ▶ You must present your **passport** as your primary identification document (citizens of European Union and Schengen Zone countries see below). If you do not meet this requirement, ETS may automatically cancel your test scores.
- ▶ U.S. military personnel may present their **U.S. military ID cards** for admission to test centers. If a military ID card does not contain a signature, a secondary ID from the list on page 10 is required.

If your passport is **not written in English-language letters**, you must also present an additional ID from the list of secondary identification documents that contains a recent, recognizable photo and is in English.

If your passport **does not contain your signature**, either sign your passport or present an additional ID from the list of secondary identification documents.

#### Testing in European Union/Schengen Zone Countries

If you are taking the test within a European Union or Schengen Zone country outside of your own, you can use your valid **national or European identity card** if you have one. The card must contain:

- ▶ a recent, recognizable photograph
- ▶ your date of birth
- ▶ your signature

If your ID is **not in English-language letters** and the test administrator cannot read the language in which it is written, you may not be allowed to test.

If your official ID **does not contain your signature**, you must present an additional document from the list of secondary identification documents on page 10 that does contain your signature.

## ACCEPTABLE SECONDARY IDENTIFICATION DOCUMENTS

If your primary identification is missing either a **photograph** or a **signature**, you must present one of the following secondary IDs in addition to your primary ID. The secondary ID must contain a recent, recognizable photograph and your signature, and cannot be expired. Secondary IDs that can be used to meet the photograph and signature requirements are:

- ▶ a government-issued ID document including, but not limited to, passport, driver's license, state ID cards, national identification, or military identification. (There are exceptions: see "Unacceptable Identification Documents" below.)
- ▶ student ID
- ▶ confirmation of identity letter from your educational institution. (A sample confirmation of identity letter is available on the TOEFL Web site.) The letter must contain your name and date of birth; a recent, recognizable photograph; your signature; the name of your school; and the date issued. It must be typed on the original letterhead of the educational institution you attend(ed), and the signature of the school official and the school seal must overlap your photograph. A letter of identity is valid for only one year after the date issued.

## UNACCEPTABLE IDENTIFICATION DOCUMENTS

- ▶ Any expired ID
- ▶ International driver's license
- ▶ Draft classification card
- ▶ International student ID
- ▶ Credit card of any kind
- ▶ Notary-prepared letter or document
- ▶ Social Security card
- ▶ Employee ID card
- ▶ Learner's permit or any temporary identification document (e.g., driver's license)
- ▶ Photocopy of ID

**If you cannot meet the specified ID requirements or if you have questions about ID**, you must contact the ETS Office of Testing Integrity (1-609-406-5430, fax: 1-609-406-9709, or e-mail: TSReturns@ets.org) before you register. If you do not contact the ETS Office of Testing Integrity before registering and are not admitted to the test, you will forfeit your test fee.

## Test Center Procedures and Regulations

### GENERAL GUIDELINES

- ▶ Test center administrators will not honor requests for schedule changes.
- ▶ Dress so that you can adapt to any room temperature.
- ▶ Friends or relatives who accompany you to the test center are not allowed to wait in the test center or be in contact with you while you take the test. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.

- ▶ You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you cannot test and your fees will NOT be refunded.
- ▶ Your picture will be taken and reproduced at your testing station and on your score report. Be sure the correct photograph is displayed on your assigned testing station.

- ▶ You must answer at least one question in each Reading and Listening section, write at least one essay, and complete at least one Speaking task every time you take the test to receive an official score report.
- ▶ A booklet of blank paper (scratch paper) is provided for you to use during the test. All scratch paper must be returned to the test center administrator at the end of the testing session.
- ▶ If at any time during the test you have a problem with your computer, or need the test administrator for any reason, raise your hand.
- ▶ Testing premises are subject to videotaping.

### VERIFYING YOUR ID

You must present valid and acceptable identification documents. See "Identification Requirements" on pages 9–10 for acceptable identification documents. Identification verification at the test center may also include:

- ▶ thumb printing
- ▶ photographing/videotaping
- ▶ other forms of electronic ID confirmation

If you refuse to present ID and/or have your ID verified, you will not be permitted to test and you will forfeit your test fee.

### PERSONAL ITEMS

Personal items other than ID are not allowed in the testing room. Before the test, you will receive instructions from test center staff regarding where you must deposit personal items such as cell phones, pagers, PDAs, Blackberry® devices, handbags, and study materials. You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. Test centers assume no responsibility for candidates' personal belongings. You will not have access to your personal items during the test or break.

### SEATING

The test administrator will assign you a seat.

### TIMING

- ▶ The maximum time allotted for untimed sections before the test is 30 minutes. The purpose of untimed sections before the test is to become familiar with important information that will make your Internet-based testing experience as convenient as possible. The time you spend on untimed sections should not be used for any other purpose. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator's directions.
- ▶ You may pace yourself with your own watch, but the computer is the official timekeeper.
- ▶ Watch alarms and clocks on cell phones are not permitted.
- ▶ You will not be permitted to continue the test or any part of it beyond the established time limit.

### TAKING A BREAK, LEAVING YOUR SEAT

- ▶ There is a mandatory 10-minute break midway through the testing session. If you exceed the time allotted, you may be dismissed or your score may be canceled.
- ▶ To leave your seat at any time other than the break, raise your hand. Timing of the test section will not stop. If you must leave the testing room, you are required to show the administrator your identification document(s) before you leave the room and when you return.

## ON THE TEST DAY (continued)

- ▶ You may not have access to your cell phone during the test or during breaks.

### DELAYED OR RESCHEDULED TESTS

Weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test. If your test session is canceled or if it is later determined that your scores could not be reported, you can

- ▶ retest free of charge OR receive a full refund of the original test fee
- ▶ seek reimbursement from ETS for reasonable and documented expenses (for yourself only) associated with traveling to the test center.
- ▶ To request reimbursement, contact TOEFL Services within 30 days of your original test date. Reimbursement requests must include your
  - ▶ name
  - ▶ date of birth
  - ▶ mailing address
  - ▶ daytime telephone number
  - ▶ e-mail address
  - ▶ original test date
  - ▶ registration number
  - ▶ a brief description of what occurred at the test center

ETS will determine the appropriateness of the request. Approved reimbursements are made in U.S. dollars.

**Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids.**

**All information is held in the strictest confidence.**

**Phone: 1-800-353-8570\* or 1-609-406-5430**

**Fax: 1-609-406-9709**

**E-mail/Internet: [TSReturns@ets.org](mailto:TSReturns@ets.org)**

### DISMISSAL FROM A TEST CENTER

The test administrator is authorized to dismiss you from a test session and/or your scores may be canceled for violations such as, but not limited to, the following:

- ▶ Attempting to take the test for someone else or having someone take the test for you

- ▶ Failing to provide acceptable identification
- ▶ Obtaining improper access to the test, part of the test, or information about the test
- ▶ Using a telephone or cell phone during the test session or during breaks
- ▶ Using any aids in connection with the test, such as mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, cell phones, watch alarms, stop watches, dictionaries, translators, PDAs, Blackberry devices, and any handheld electronic or photographic devices
- ▶ Creating a disturbance (disruptive behavior in any form will not be tolerated; the test administrator has sole discretion in determining what constitutes disruptive behavior)
- ▶ Attempting to give or receive assistance. Communication in any form is not permitted during the test administration. Discussion or sharing of test content during the test administration, and/or during breaks is prohibited. Discussion or sharing of test content after the test is also prohibited.
- ▶ Removing or attempting to remove any test content, scratch paper, or notes relating to the test. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.
- ▶ Referring to, looking through, or working on any test, or test section, *when not authorized to do so*, or working after time has been called
- ▶ Tampering with the computer
- ▶ Leaving the test room or test center vicinity without permission during the test session or during breaks
- ▶ Taking a weapon or firearm into the test center
- ▶ Taking food, drink, or tobacco into the testing room
- ▶ Taking excessive or extended unscheduled breaks during the test session. Test administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- ▶ Failing to follow any of the test administration regulations in this *Bulletin*, given by the test administrator, or specified in any test materials

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your fees will not be refunded.

## SCORES & SCORE REPORTING

### Examinee Score Record/ Official Score Reports

Your TOEFL test payment entitles you to:

- ▶ one printed and one online examinee score record
- ▶ up to four official score reports that ETS will send directly to the institutions or agencies you designate when registering for the test

Score report recipients can be added or deleted through the TOEFL iBT online registration system until 10 p.m. (local test center time) on the day prior to the test date. ETS will send an examinee score record to you and official score reports to your designated institutions 15 business days after you take the test. The printed score record that is mailed to you will contain all of the final section scores as well as your total score.

## Score Report Posting and Mailing

Scores are posted on the TOEFL iBT online registration system 15 business days after the test date (with a few exceptions) and then mailed to you and your designated score recipients. You will need your user name and password to view your scores online. Unlike the computer-based version of the test, you will not receive an unofficial score at the end of the testing session. Score report posting and mailing dates are on the inside back cover of this *Bulletin*. Test results cannot be given any earlier. Allow 7 to 10 days for delivery of mail within the continental United States and additional time for delivery to other areas.

ETS will send the examinee score record to you at the most recent address you provided. If the postal service returns your score record as undeliverable, TOEFL Services will send it again only if there is a new address on file. If your address changes after you take the test, go online and update your profile or contact TOEFL Services (see “Contact Information, General Inquiries” on page 5).

For a fee, you may also request additional official score reports for institutions you did NOT identify when you registered to test. Your request may be made online, by phone, mail, or fax. You may order additional score reports through the TOEFL iBT online registration system or by using the Score Report Request Form in the back of this *Bulletin*. This form can also be downloaded from the Learners and Test Takers section of the TOEFL Web site.

**NOTE:** Test centers do not provide receipts or printed scores for the test.

## Interpreting Your TOEFL iBT Scores

Your scores are based on your performance on the questions in the test. You must answer at least one question in each Reading and Listening section, write at least one essay, and complete at least one Speaking task to receive an official score report. For the Internet-based test, you will receive four section scores and a total score:

- ▶ Reading (0–30)
- ▶ Listening (0–30)
- ▶ Speaking (0–30)
- ▶ Writing (0–30)
- ▶ Total Score (0–120)

In addition to numeric scores, your examinee score record also includes performance feedback that indicates your performance level and a description of the kinds of tasks that test takers within the reported score range can typically do.

## Canceling Your Scores

At the end of the test session, you will be given the option to cancel your scores. **You cannot cancel your score for one section of the test and have the scores for the remaining sections reported.** Although you have the option to cancel your scores, consider very carefully before doing so. Your scores will be reported to institutions only at your request. If you cancel your scores, they will NOT be reported to you or any institutions, and no refund will be made. Canceled scores are deleted from your permanent record. If you wish to take the test again, you must reregister and submit another test payment.

Canceled scores can be reinstated if your request is received at ETS within 10 days after your test date. You may call, fax, or mail a written request to TOEFL Services (see page 5 for contact information). The fee for TOEFL iBT score reinstatement is US\$20. Your request should include your:

- ▶ Name
- ▶ Date of birth

- ▶ Daytime phone number
- ▶ Registration number
- ▶ Payment

Scores will be reinstated and reported online approximately two weeks after receipt of your request. Your scores will be mailed to you and your designated institutions shortly thereafter.

## Ordering Additional Official Score Reports

You can have official score reports mailed to institutions you did not identify when you registered to test. Additional score reports can be ordered online through the TOEFL online registration system or by completing the Score Report Request Form in this *Bulletin*. This form is also available on the TOEFL Web site. You will receive an acknowledgement confirming that your score reports were mailed.

The Score Report Request Form will be returned to you if you do not include complete and accurate information and the correct fee. Designated institutions cannot be changed or deleted after you submit the request. No refunds will be made.

### ONLINE (CREDIT CARD OR E-CHECK REQUIRED)

- ▶ Reports are mailed approximately **four to seven days** after your request.
- ▶ The fee is US\$17 for each report ordered.

### MAIL OR FAX

- ▶ Follow the instructions on the back of the Score Report Request Form for completing and mailing your request and payment.
- ▶ Reports are mailed **two weeks** after receipt of your request form.
- ▶ The fee is US\$17 for each report ordered.
- ▶ If you are paying by credit card, you may fax your form to **1-610-290-8972**. Faxed requests will not be processed unless complete credit card information is provided. If you think your faxed request may not have gone through and you attempt to resend the information, write “DUPLICATE” in large letters on all repeat requests. This will help avoid extra processing by TOEFL Services and unnecessary charges to your credit card.

**NOTE:** TOEFL scores are measurement information and are subject to all restrictions on release of information indicated in this *Bulletin*. They are not the property of the examinee. The information contained in your TOEFL examinee record is the same as the information printed on your official score report.

### PROCESSING TIPS

- ▶ Do not send a letter with your request.
- ▶ Mark identification codes only for institutions you did not provide when you registered.
- ▶ List no more than eight institutions on one form. To order more than eight reports, use a second form.
- ▶ Sign and date the form.
- ▶ Include an acceptable form of payment and include the correct amount (reports will only be sent to the number of institutions for which you have paid).

## HOW LONG ARE SCORES VALID?

- ▶ TOEFL scores are valid for **two years**. Because language proficiency can change considerably in a relatively short period of time, scores more than two years old cannot be reported or verified.
- ▶ If you took the TOEFL test more than two years ago and need to submit scores to an agency or institution, you must take the test again to have your scores reported.

## Requests for Rescores

You can request that the Writing and Speaking section scores of your test be reviewed through a rescore process up to **three months** after your test date. You may make this request for either the Writing or Speaking section, or you may request that both sections be included in the rescore process. Only one request per administration can be submitted. You cannot request a review of the Speaking section and then at a later time request a review of the Writing section. The fee for a Writing or Speaking section rescore process is US\$60. The fee to have both sections included is US\$120.

TOEFL iBT Speaking and Writing sections are reviewed by scoring specialists in the rescore process. If the rescore process confirms your score, you will be notified by letter. If the review results in a change in your score, you will receive a revised examinee score record. Revised official score reports will also be sent to the institutions that you designated as score recipients. These revised scores will become your official scores.

Complete the Rescore Request Form in the back of this *Bulletin* and send it, with the required fee, to the address on the form. If you are paying by credit card, you may fax the form.

The results of the score review process will be available approximately three weeks after TOEFL Services receives your Rescoring Request Form and fee.

## Other Score-Related Information

### SCORE VERIFICATION

Institutions have the ability to verify examinee score records sent directly to them from examinees. If there is a difference between the official scores recorded at ETS and those on the score record you provided, the institution will be requested to send ETS a copy of the score record you submitted. At the written request of the institution official, ETS will report the official scores, as well as any previous scores recorded for you within the last two years. ETS or its authorized representative will also provide information about your scores at the request of an institution or agency that has a copy of your examinee score record.

**NOTE:** The information in your TOEFL record is the same as the information printed on your examinee score record.

### ACCEPTABLE SCORES

Each institution that requires TOEFL scores decides for itself what scores or ranges of scores are acceptable. These requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. There is no specific passing or failing score. If you have questions about how your scores have been used or interpreted, contact the institutions or agencies that received your test results directly.

## TEST SCORE DATA RETENTION

Individually identifiable TOEFL test scores are retained in a database for only two years. After two years, all test-taker information and scores are removed. If you took the TOEFL test more than two years ago, you will have to take the test again to have scores sent to you, an institution, or agency.

## CONFIDENTIALITY OF SCORES

The TOEFL program recognizes the right of examinees to privacy with regard to information that is stored in data or research files held by Educational Testing Service and the program's responsibility to protect information in its files from unauthorized disclosure. ETS or its authorized representative may share examinee score data with institutions or agencies for verification purposes.

TOEFL test score data and writing and speaking responses that may be used at any time for informational, research, statistical, or training purposes are not individually identifiable.

Information retained in TOEFL records is the same as the information printed on the examinee's score record and on the official score reports. Official score reports will be sent only to those institutions or agencies designated by the examinee when he or she registered to test, on a Score Report Request Form submitted at a later date, or otherwise specifically authorized by the examinee.

Scores are not to be released by institutional recipients without the explicit permission of the examinee.

**Your score record and the documents you complete that are retained at ETS (for example, your photograph) may be released to third parties, such as government agencies or parties to a lawsuit, if requested pursuant to a subpoena or required by applicable law.**

## TEST QUESTION INQUIRIES

Language specialists prepare TOEFL test questions. These specialists follow careful, standardized procedures developed to ensure that all test material is of consistent high quality. Each question is reviewed by several members of the ETS staff. The TOEFL Committee of Examiners, an independent group of professionals in the fields of linguistics, language testing, and language teaching that reports to the TOEFL Board, establishes overall guidelines for the test content and specifications. After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and assembled into tests. The tests are then reviewed according to established ETS and TOEFL program procedures to ensure that all possible versions of the test are free of cultural bias. Statistical analyses of individual questions ensure that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions may occasionally occur. If you suspect a problem and want to question a test item for any reason, notify the test administrator before you leave the test site. You may also write to MS 42N-208, TOEFL Test Question Inquiries, Educational Testing Service, Rosedale Road, Princeton, NJ 08541-0001, USA, or send a fax to 1-609-683-2600 immediately after taking the test. Please include the name of the test, the section of the test, the test date, the name of the center where the test was taken, and, if possible, the number of the test item being questioned. If you have a complaint about the testing facilities or the test administrator, write to TOEFL (see "Test Center Complaints," page 5) within three days after the test date. Be sure to give the date of the test, the name of the test center, and the city and country in which you tested.

### ETS Score Cancellation Policy

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS's judgment, a testing irregularity occurs, there is an apparent discrepancy in a test taker's identification, the test taker engages in misconduct, the test taker attempts to use the printed work or ideas of others as their own in the essay section of the test, or the score is invalid for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

#### TESTING IRREGULARITIES

"Testing irregularities" refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters and other emergencies). When testing irregularities occur, ETS may decline to score the test or may cancel the test score. When in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

#### IDENTIFICATION DISCREPANCIES

When, in ETS's judgment or the judgment of test center personnel, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or may cancel the test score and you will forfeit your test fee.

#### MISCONDUCT

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test or may cancel the test score. Misconduct includes, but is not limited to, noncompliance with the "Test Center Procedures and Regulations" on pages 10–11 of this *Bulletin*.

#### PLAGIARISM

ETS reserves the right to cancel the scores of test takers when, in ETS's judgment, there is evidence that an essay includes, for example, text or ideas that are substantially similar to that found in other TOEFL responses or quotations or paraphrasing, without attribution, of language or ideas from published sources. Such responses do not reflect the independent speaking or compositional writing skills that the test seeks to measure.

#### INVALID SCORES

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, unusual answer patterns and/or inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation or arbitration in accordance with ETS's standard Arbitration Agreement. In addition, the test taker is sent a copy of the booklet *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time upon request.)

**NOTE:** The arbitration option is available only for tests administered in the United States.

## TEST LOCATIONS

The most current information regarding test locations for TOEFL iBT is in the Learners and Test Takers section of the TOEFL Web site at [www.ets.org/toefl](http://www.ets.org/toefl). Test takers should also check the TOEFL iBT online registration system because test centers are added daily to the testing network. Information regarding test center availability is subject to change.

# REGIONAL REGISTRATION CENTERS

The Regional Registration Centers (RRCs) and the countries associated with each region are listed below. If there is no test center in your country, TOEFL iBT may not be available in your area. See the TOEFL Web site at [www.ets.org/toefl](http://www.ets.org/toefl) for listings of TOEFL computer-based and paper-based test centers.

Note: When calling an RRC that is located outside the country from which you are calling, you must dial the international access number. E-mail addresses are for informational requests only.
